COMMENTS

1.5) Please provide some specific examples of what you found to be educationally effective or ineffective during this course (e.g., organization, helpfulness, overall teaching ability, assessments.)

- The notebooks and exercises were very helpful for learning and to be able to reference.

- Helped me when the professor was not in the classroom. Gave reasonable advice and provided as much help as she could.

- Helpful during the lab and would always guide us in the right direction when we got stuck.

- - Very helpful during lab

- Always helpful during class, always had a smile.

- Katrina was very helpful in getting me unstuck during complex lab assignments, and was very knowledgeable about the subject matter.

- Katrina was very helpful and incredibly friendly. She was also very accommodating and cared for the wellbeing of the students.

- she was really nice!

- Great labs with the right amount of challenge. Super applicable and connected to the lecture really well.

- I found the lab assignments difficult but really helpful for my learning. The lab instructor was always available to respond to questions and answered
